U. S. WILL BUILD GREAT ARMADA OF WOODEN SHIPS

PRESIDENT LAUNCHES MOVE TO BREAK DOWN GERMAN SUBMARINE BLOCKADE

Has Mobilized Every Ship Building Plant of America in Construction of Merchantmen of 2,000 Tons and Upward to Keep Entente Abundantly Supplied With Munitions, Food and Clothing.

THREE VESSELS EACH DAY FOR THE FIRST YEAR IS CAPACITY OF PLANTS

WASHINGTON, APRIL 12. — (ASSOCIATED PRESS DISPATCH)—A CAMPAIGN OF COLOSSAL PROPORTIONS TO BREAK DOWN THE GERMAN SUBMARINE BLOCKADE AND KEEP THE ENTENTE PLENTILY SUPPLIED WITH FOOD, CLOTHING AND MUNITIONS HAS BEEN DETERMINED UPON BY PRESIDENT WILSON AND HIS ADVISERS AS AMERICA'S FIRST PHYSICAL STROKE AGAINST HER ENEMY.

Unable at the present time to send an army into the trenches, the President believes the United States can do even greater service in the common cause against Germany by providing a great armada of merchantmen to invalidate the undersea campaign, about which have been rallied the fading hopes of Prussian conquest.

Quickly built light wooden ships of 2,000 tons and upward are to make the fleet of merchantmen; and to insure maximum construction, the Shipping Board has enlisted the country's entire shipbuilding facilities, now the greatest in the world.

Upwards of a hundred private plants on all the coasts will help, giving the board's orders precedence over every other class of work except the most urgent naval construction.

The first year's production is expected to reach an average of three ships a day.

Already, lumber interests have given assurances of an adequate supply of timber at reasonable prices.

Engine manufacturers have pledged their co-operation, also, and all the necessary machinery for the vessels can be assembled as fast as they can be turned out at the yards.

The Shipping Board estimates that 150,000 men will be needed to work all the plants to capacity and to complete the building program in the time determined upon.

The total is nearly ten times the number of laborers now employed in building merchant craft throughout the country.

Major General George W. Goethals, builder of the Panama Canal, has been selected to supervise the construction program, which is expected to involve within the next year a total tonnage of three million tons, or more than is now building in all the shipyards in the world.

GEN. JOFFRE MAY COME ON COMMISSION

By Associated Press Dispatch. Washington, April 12.—Official dispatches on the coming of the French and British commissions to discuss the conduct of the war only mention the possibility that General Joffre may accompany former Premier Viviani of France, but do not give any definite announcement.

While it is possible that joint sessions will be held, arrangements have not passed the preliminary stage, and no decision has been reached.

Discussion, it is indicated, will necessarily be confined to the very broadest phases.

An impression conveyed in some quarters that the Entente commission would seek to bind the United States to a general arrangement not to negotiate a separate peace is generally discounted here, though officials took care not to express themselves flatly in advance in a way that might be misunderstood by the Allies.

It has been stated that the United States will not enter into an alliance in the Old World sense of the term, but will commit itself to unlimited participation in the war until the aims which President Wilson has announced are achieved.

MORE GUARDS ARE CALLED

By Associated Press Dispatch. Washington, April 12.—Seven companies of National Guard coast artillery troops were called into the Federal service today for police purposes. They are First Company, New Hampshire; Fifth, Eighth, Thirteenth, Fourteenth, Fifteenth and Eighteenth California.

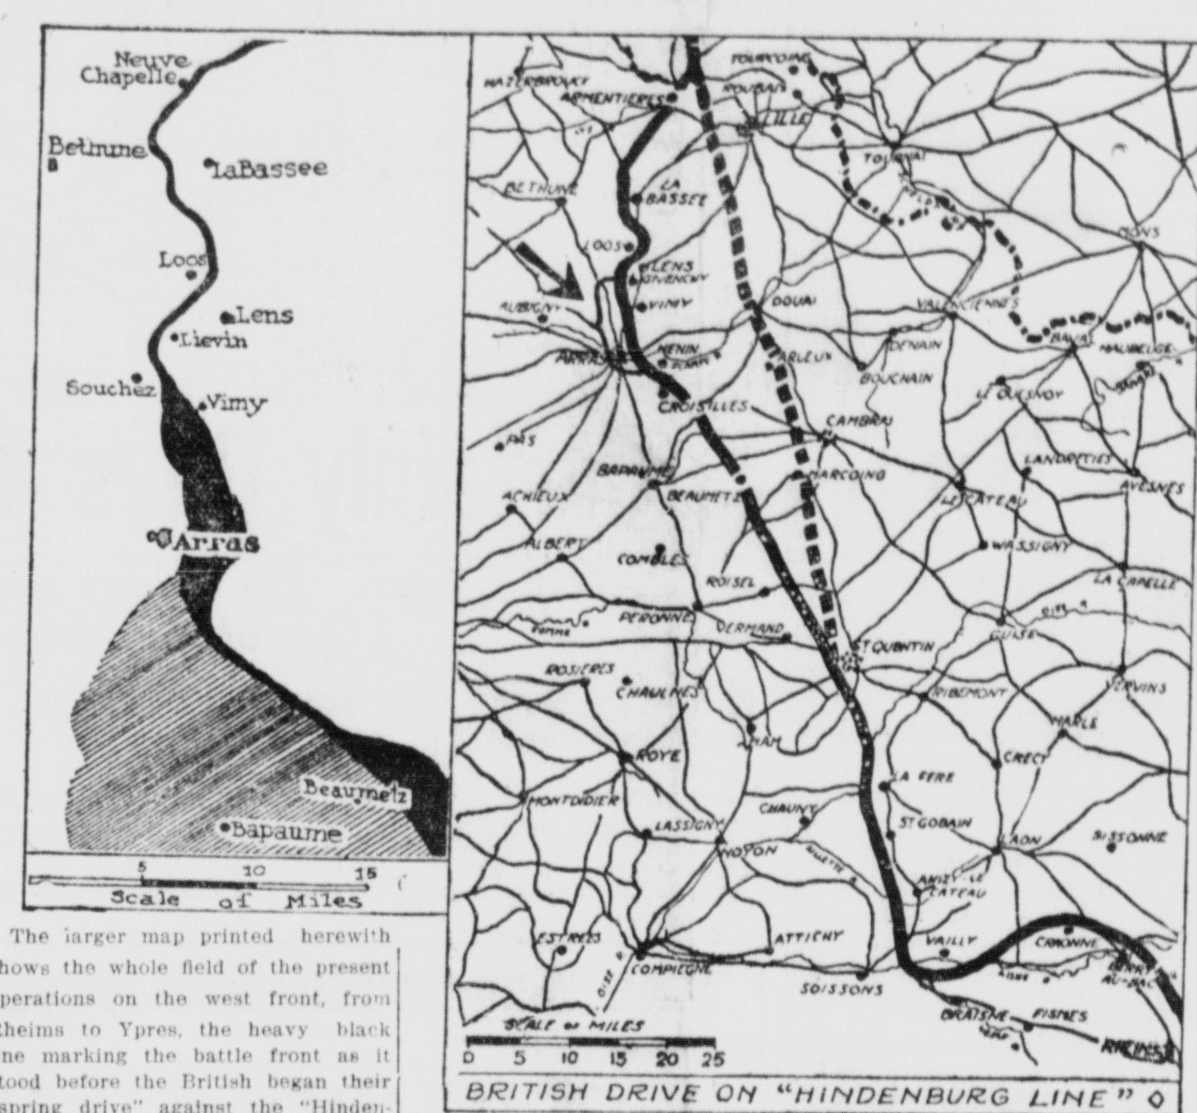

U. S. SCHOONER TORPEDOED

By Associated Press Dispatch. Washington, April 12.—The American schooner Marguerite, of New York was captured and presumably sunk by a submarine 35 miles southwest of Sardinia on April 4, and her crew, including one American, exposed for forty-six hours in open boats.

A dispatch to the State Department today from Ambassador Sharp at Paris forwarded this information from the American consul at Tunis.

The ship made no attempt to escape or resist and was refused aid by the submarine.

BIGGER AND BETTER GUNS ENABLE BRITISH TO BLAST A WAY THROUGH

The larger map printed herewith shows the whole field of the present operations on the west front, from Rheims to Ypres, the heavy black line marking the battle front as it stood before the British began their "spring drive" against the "Hindenburg line." The arrow indicates the part of the line where the British offensive was launched and the dotted line the position to which the Germans would retreat to straighten their front.

The smaller map shows the local position of the British advance in western France. The solid black area covers the ground gained in the

first day's drive, as officially reported by the British. The heavily shaded area, just south of Arras, shows that voluntarily abandoned by the Germans in their great retreat. It will be noted that the British gained considerably here also, simultaneously with their great attack further north. The attack was made, it also will be noted just at the

"joint" between the old German line and that to which the Germans are retreating. By far the greater part of the British success against the German line is attributed to superior artillery preparation. One correspondent makes the amazing assertion that the British gunfire is twenty times stronger than the Germans.

BULGARIA IS READY FOR PEACE

London, April 12. — Reports from a Swiss source have been received in Rome that the Bulgarian Minister at Berne has made overtures to the Entente ministers with a view to the conclusion of a separate peace, says the Exchange Telegraph Rome correspondent.

Similar advice regarding Bulgaria are sent to the Exchange Telegraph by its representatives at Lausanne.

He reports that the Gazette of that city states it has learned that semi-official Bulgarian delegates are in Switzerland endeavoring to arrive at a basis for a separate peace with representatives of the Entente.

WIN VICTORY

By Associated Press Dispatch. Laredo, Texas, April 12.—Passengers reaching the border say that in a recent engagement with Villa men, the Constitutional forces under General Murguia lost 1,500 dead and wounded.

They added that the alleged rout inflicted on the Villa forces around Chihuahua City by the government troops are myths.

TWO FAYETTE INMATES OUT

(Associated Press Dispatch) Columbus, O., April 12.—The State Board of Administration today granted 167 paroles and 94 final discharges from the Mansfield reformatory. Among those paroled were Edward Suttles and Alfred Butler, Fayette county, and Clarence Rapstock, Charles Miller and Robert Huston, Ross county.

RAILROADS MAKE PLANS TOWARD WAR

By Associated Press Dispatch. Washington, April 12.—National transportation facilities of the principal railroads in the United States will be merged voluntarily and operated under the general direction of a central executive commission of seven men, co-operating closely with the Government in handling troops, military supplies and general commodities.

This committee consists of Fairfax Harrison, of the Southern, chairman; Howard Elliott, of the New Haven; Samuel Reay, of the Pennsylvania; Hale Holden, of the Burlington; Julius Kruttschnitt, of the Southern Pacific; Daniel Willard, president of the Baltimore & Ohio and chairman of the National Defense Advisory Commission, ex-officio member, and one other, to be appointed by the Interstate Commerce Commission.

DEMOCRATIC DRY LEAGUE

By Associated Press Dispatch. Columbus, O., April 12.—The Democratic Dry Federation of Ohio, organized here today, adopted resolutions urging Congress to "forthwith prohibit the manufacture of malt or spirituous liquors from grain and every article useful for food products, in order that our country's supply of foodstuffs for our people and our soldiers and sailors be conserved to the greatest possible extent."

William J. Bryan, former Secretary of State, was scheduled to arrive here late this afternoon to address the convention.

More than 100 Democrats, many of them active in the party organization in the state, were in attendance. J. A. Rice, of Canton, presided. Senator J. Henry Miller, of Newark, Democratic Floor Leader in the Senate of the General Assembly, which recently adjourned, is chairman of the Resolutions Committee.

In addition to urging Congress to prohibit the use of foodstuffs in the manufacture of alcoholic liquors, the convention also pledged support to the movement to vote the saloons out of Ohio next November.

TWO MEN DIE

By Associated Press Dispatch. Philadelphia, April 12.—Explosions of powder in the detonating department of the Government arsenal at Frankford, a suburb, where ammunition is being manufactured in great quantities, killed Philip McNally and fatally injured Joseph Miller.

The two men were the only occupants of the small structure in which they were working. Colonel Montgomery, commandant at the arsenal, said the explosion was purely accidental.

BIG FRENCH DRIVE BEGUN

New General Offensive Holds Teutons While British Continue to Batter Way Forward, Taking Strong Positions.

By Associated Press Dispatch. Despite the most unfavorable weather conditions prevailing, the British continue the delivery of telling strokes against the Germans along the line from Lens to St. Quentin.

Apparently devoting the greater part of their attention to the important sector of the line near Vimy ridge, the key position on the northern end of the front, which they have captured, the British drove against two important positions north of the ridge and captured them.

This blow was driven home just southwest of Lens, and enabled the British to advance their lines on both sides of the Souchez River. All German attempts to regain the ridge have been foiled.

Much importance is attached to the resumption by the French of their general attack.

Seemingly they are giving the Germans in the region southwest of Laon all that they can attend to, and are preventing any reinforcements from this sector of the line, menaced by the British offensive.

At an American luncheon in London today, David Lloyd George, the British Premier, welcomed the United States in her entry into the war.

He dwelt upon the value of American co-operation in a material way and upon the influence of this country as a moral force, and expressed extreme gratification that the United States was earning the right to sit at the peace conference, when it is held.

CHANGE MADE IN AUSTRIAN LEADERS

(Associated Press Cable.) London, April 12.—Field Marshal von Schlieyer, chief of the War Control Department, has been appointed temporary Minister of War for Austria-Hungary, according to a Vienna dispatch to the Central News by way of Amsterdam.

Field Marshal von Schlieyer succeeds General von Kobatin, who recently resigned.

EXPERTS NOW MAKING PROBE

By Associated Press Dispatch. Chester, Pa., April 12.—Experts today are analyzing powder in the shrapnel shells at the works of the Eddystone Ammunition Corporation, at Eddystone, Pa., with the hope of establishing beyond doubt the cause of the series of explosions which killed 122 persons at the plant Tuesday. The experts are from the Du Pont Powder Company. They worked all night and continued their investigation today, assisted by the Eddystone concern's authorities.

There is a theory that if a plot existed, as officials of the plant maintain, an acid capsule may have been dropped into a shell in the charging room.

The investigation by the experts includes a probe into the possibility of a defect in the explosives with which the shells were loaded. So far, there is no definite evidence that the disaster was the work of alien plotters.

TO CALL FOR 500,000 MEN

By Associated Press Dispatch. Washington, April 12.—The War Department prepared today to issue instructions to recruiting officers which will be in effect a call for 500,000 volunteers to fill up the Regular Army and the existing units of the National Guard.

All recruits enlisted since the declaration of war, and those to be enlisted hereafter, will be notified that they will be discharged at the close of the war, putting them in the status of wartime volunteers.

A total of 4,355 men have been enrolled in the Regular Army who will come under such a status.

This number of recruits was accepted during the first ten days after the passage of the war resolution.

OFFERS PORTS

By Associated Press Dispatch. Washington, April 12.—Costa Rica's waters and ports are placed at the disposition of the United States in the war with Germany, it is announced in an official communication in which that Government defines its attitude to the State Department.

After unqualifiedly endorsing the position of the United States, the Costa Rican Government added its statement that it would not be more active in the war, but that it was glad to offer the United States the use of all its ports and adjacent waters.

WOULD RECRUIT

By Associated Press Dispatch. Washington, April 12.—With the approval of Attorney General Gregory, Chairman Webb of the House Judiciary Committee will introduce tomorrow a bill to allow the Allied Governments to recruit their citizens in the United States.

Chairman Cullerson, of the Senate Judiciary Committee, will introduce the same bill.

THREE KILLED

By Associated Press Dispatch. Akron, Ohio, April 12.—Three men were killed and seven others seriously injured in an elevator accident at the Goodyear Fire & Rubber Company plant this morning.

The cable supporting the cage broke at the fifth floor of the factory building, and the cage dropped to the basement.

The cage was demolished and the bodies of the dead and injured were buried in the debris.

NEXT WEEK IS CLEAN-UP WEEK

Mayor Oster has set apart the week of April 16th as clean up week in the city, and during that week urges every person to get busy and perform the work necessary to place their premises in a presentable condition, and eliminate all unsightly and unsanitary accumulations.

In connection with setting apart the week, Mayor Oster issued the following appeal:

"As Mayor of the City of Washington I would ask every patriotic person to co-operate and dedicate the week beginning April 16th to cleaning up their yards and alleys, painting the house and in general cheer up their homes thereby.

"As cleanliness is next to Godliness I would also urge all to consider the sanitary part, thereby avoiding epidemics, so essential especially when we are at war, and have need to conserve our health. Also bear in mind that the physical appearances of a place effects the characters of those living on it.

"Remove all rubbish to lessen fly dangers and last, but not least, 'swat the fly' and clean its incubation beds and billions will remain unborn. Would also suggest covering all rain barrels and removal of stagnant water and there by make the mosquito impossible.

M'CARTY ARRESTED IN BATAVIA, WILL BE BROUGHT BACK

C. E. McCarty, fake International Stock Food Agent who is wanted in this city for beating a livery bill, and who is alleged to have taken large numbers of orders for whiskey, obtaining the money and then leaving for parts unknown, is under arrest in Batavia, Ohio, and Chief Moore left Thursday afternoon for the purpose of bringing the man back to this city to face the music.

While the charge against him is beating a livery bill, he may face a charge of obtaining money under false pretense, and some of his victims are expected to come forward and file an affidavit against him on this charge.

Whether the man was up to his old tricks at Batavia, has not been learned.

His arrest was brought out by information sent out by Chief Moore.

BAPTIST ASSOCIATION MEETS IN BLANCHESTER

The spring meeting of the Clinton Baptist Association was held Wednesday and Thursday of this week at Blanchester, Ohio.

Delegates from Washington C. H. were Mr. Harry Wood, president, who had charge of the program; Rev. G. L. Hart, who preached the annual sermon. Other delegates from here were Mr. and Mrs. J. Howard Hicks, Mabel Briggs, Margaret DeWees, Miss Tilton, Miss Annis Morse and Miss Moss.

The convention was largely attended and was a splendid success.

Governor Cox's request was observed, for special prayer for divine guidance and the success of our nation in the great war.

DOUBLE FINE IS HANDS THIS MAN

Entering a plea of guilty to a charge of assault upon Thomas Loving, and to having too much bad whiskey tucked under his belt, Dick Halthcock was fined by Mayor Oster, Thursday morning \$1 and the costs for the first offense and \$5 and the costs on the latter.

"I'm going to cut out this booze and keep out of trouble" declared Halthcock before taking his departure.

BUSINESS MEN ACT PROMPTLY

Sergeant Ferguson loomed up as the biggest attraction at the Thursday noon luncheon of business men at the Y. M. C. A. and his appeal for support of the business men was given immediate attention.

Sergeant Ferguson asked for the support of the city in staging a patriotic parade here within the next few days, and Messrs. Clarence Baer, E. L. Bush and Walter Craig were named to take charge of the affair.

The sum of \$25 was voted Sergeant Ferguson to be used in promoting recruiting, and there were indications that further funds would be raised if necessary.

A communication from the B. & O. commercial development department, making inquiry into the farming situation in this district, need of employees, etc., was presented, and J. F. Adams, Frank Christopher, R. R. Kibler and Walter Patton were named to look after the matter.

Arrangements were announced for indexing every unemployed man and youth in the city, with a view to putting them to work, and no loafing will be tolerated this year under penalty of arrest on a vagrancy charge.

GUARD COMPANY AT GREENFIELD

Company G, Fourth Regiment, National Guards, is now located at Greenfield, having been organized of patriotic young men of that vicinity during the past three weeks, and was formally admitted to the Guards at midnight Wednesday night.

The company has about 60 men, including some 15 men who have been transferred from Company M, including Second Lieutenant Don Caldwell, who has been selected as First Lieutenant of the new company.

The new company of soldiers will be inspected tonight by Major Ely of the United States Army, and Major Rell G. Allen of this city will also be present. Fifty men will be on the floor tonight.

An armory will be rented and full arrangements made for properly caring for the equipment which will be furnished, and for drill.

MANAGERS OF KATZ STORES IN CITY

The managers of several of the Katz stores assembled in this city Thursday, on business and for a conference with Mr. Leo Katz. They will remain in the city over Friday, and will be joined by other manager of the Katz stores.

Those here today are: Mr. Sidney Katz, of Chillicothe; Mr. Milton Katz, of Xenia, and Mr. Allen Bonecutter, of Wilmington.

TO OBSERVE ARBOR DAY IN SCHOOLS

Friday is Arbor day, and will be observed by appropriate ceremonies not only in the city schools but in all schools of the county.

In most of the schools short programs will be rendered in the afternoon, and one or more trees planted.

MRS. JOHN THARP LAID TO REST

The M. E. Church of Bloomingburg was filled with sorrowing friends and relatives Wednesday afternoon, for the services of Mrs. John Tharp.

There were also beautiful floral remembrances.

The services were conducted by Rev. Wilkins, pastor of the Fairview church with which Mrs. Tharp was actively associated for many years.

Burial was made in the Bloomingburg cemetery; the pall-bearers the two sons, O. W. Tharp and Roy Tharp, Homer Baker, Chas. Hughes, Carl Andrews and Jasper Crabtree.

LARGE ASSEMBLAGE HONORS THE DEAD

One of the largest home funerals in Washington in many years was that of Mr. W. E. Taylor, held Wednesday afternoon. Both house and grounds were thronged with people, representing a large family connection, stock men and business associates and a host of friends from all over the county.

The services, conducted by the former pastor of Grace church Rev. J. Vernon Stone, assisted by Rev. Cherrington, offered most appreciative tribute and were deeply impressive.

Two hymns, "Dreams of Galilee" and "Nearer My God to Thee" were played on the Victrola.

Acting as pall-bearers were Messrs. John Draise, Elmer Hardway, Earl Johnson, Earl Severs, of Dayton, Clone Taylor and Lewis Taylor.

The floral remembrances were in great number and very handsome. Among the special designs were emblems from the K. of P. and I. O. O. F. and the Fish and Game Association.

Those who came from a distance were the youngest son, Mr. Roy Taylor and wife, Cleveland; Mrs. Arch Coons, Richmond, O.; Mrs. Edie Sevor and son, Earl, of Dayton; Mrs. Mattie Draise and daughter, Miss Marie, Mt. Sterling; Mrs. James Draise, Bloom-

ingburg; Miss Margaret Taylor, Greenfield.

MEMOIR

Wm. E. Taylor, the oldest son of Edward and Lydia A. Taylor, was born December 22, 1849, and died April 9, 1917, at 9:15 p. m., aged 67 years, 3 months and 18 days.

He was born and raised in Fayette County, where he and his family have been prominently identified.

His early life was devoted to educational work, but the greater part was spent in farming and stock raising and buying.

While Mr. Taylor had been in poor health for several years, at times serious, his death came as a great shock to his family, and many friends.

He was married to Nancy A. Drais, daughter of Jerome Drais, on the 3rd day of April, 1873, who survives him.

To this union were born five children, Jerome, Emery, Harry, Roy and Anna, all of whom live in this community except Roy, who resides in Cleveland, Emery, who died in early life.

The following brothers and sisters also survive: Jesse, George and Mrs. M. L. Archart of this city; Mrs. E. D. Sever of Dayton, Ohio; and Edward of Kennewick, in the state of Washington.

He was a member of the I. O. O. F. and of the K. of P. lodges.

In early life he joined the Methodist church and at the time of his death, he was a devoted member of the Mills Gardner Memorial Bible Class of Grace church.

While his sickness was of long duration, he never complained and bore his suffering patiently.

He was good, kind and generous, always ready to help. Being the oldest of a family of children he it was to whom the others turned for counsel and direction.

He will be missed from the family—a chair will be vacant and hearts will be sad. His place in the Bible class will be missed and friends and neighbors will see him no more here. May all be reunited on the fair shore where one by one they go. Go on to explore the mysteries of eternity.

The Welfare Appeal

The Welfare Association is conducting a campaign to secure funds needed to defray the necessary expenses incident to maintaining a practical, workable and working, community health department under the leadership and direction of the community nurse, Miss Sutton.

What this nurse accomplishes in the way of relieving suffering among the poorer classes, in preventing the spread of contagious diseases and by looking after the home life and providing necessities for suffering families, preventing disease from gripping them and in a thousand other ways is not understood by a great many people. Only those good men and women who are in direct touch with the Welfare work understand fully just what a big work has been done, is being done now, and is necessary to be done in the future if the community is not to suffer by neglect.

This movement—the Welfare community nurse work—is not entirely charitable by any manner of means.

It produces its practical results which benefit the community and the individuals. Even from a selfish standpoint—from the very first impulse of human nature self and self preservation—it should appeal even to those who do not subscribe any too liberally to charitable causes.

Washington people should respond generously to the appeal now being made in behalf of a splendid practical cause.

We appreciate that the citizens of Washington have been called upon frequently during the last year to donate to this or that movement, but never have they been asked to contribute to a movement where the need was more urgent where the cause had more to recommend it and where the results are more direct and wide spread.

The appeal should be met promptly and wholeheartedly by Washington people.

The Individual, Too

We are informed and assured that this war into which the United States has been drawn is not to be allowed to be converted into a profit making opportunity by unpatriotic and selfish persons.

The department officials are guarding with jealous vigilance every branch charged with the duty of making purchases on behalf of the government either for the army or the navy.

The government in so far as it is concerned seems to be active in cutting out any chance for an unconscionable profit by dealers on sales to the government.

Our assurances, however, that the individual citizens of the nation are to be alike safe guarded against dishonest speculators is not so strong.

The saving on government purchases will not avail much if the people are to be robbed in their private dealings.

Restrained by regulation from making extortionate profits in dealing with department officials those who have the will to turn the nation's crisis to private advantage, will find the way in the need of the individuals for necessities of life, unless drastic methods are adopted by the government regulating the market prices.

There is no reason why the nation, if price conditions do not improve should not press into the service the army which gathers and dispenses the necessities of life.

Roosevelt's Plan

That's a splendid plan which Ex-President Roosevelt has submitted to the national authorities, to raise an army of volunteers for service in France.

The plan is the result of Colonel Roosevelt's patriotic desire to do something worth while in the service of his country. No greater nor more spectacular service could be furnished. The magic name of Col. Roosevelt would bring scores of thousands of volunteers to the service—men who would be glad to go and follow the flag under the leadership of the hero of San Juan Hill.

If carried to consummation—if Col. Roosevelt can succeed in prevailing on the authorities to accept his offer—the result will be without a parallel in history. An ex-president of the world's greatest republic—a volunteer leading an army of volunteers following the stars and stripes on foreign battle fields.

The spectacular leader—the glamour which would surround him and his name and his cause—would inculcate in the armies of the Allies an enthusiasm which would render them irresistible.

By all means, the American people say to help the ex-president carry his big plan through.

Poetry For Today

THE VOICE OF LIBERTY.

We fight for the fettered souls that moan—
For love of Liberty's stars alone;
Freedom of sea—freedom of God—
Liberty, old as the hills of God;
To strike, while a thrill of life remains
For freedom from fetters and blood-red chains;
Whatever the sorrow—there is no loss
With Liberty's Sword in the Light of the Cross.

Oh, joy supreme, if the Easter Sun
Might light the fields of the battles done—
As far as the darkened war-winds roam
And the wounded heart of a world sighs "Home!"
Might stream where the trampled crosses lie
And the souls of the slain of War go by.
And see no Lily whose breast gleams red
Over the graves that hide Earth's dead.

But Liberty speaks: "In the Easter Light
I come! Like Truth, I am mailed in Might!
I come to shelter; I come to save;
There is no grave that is Freedom's grave!
I fight for the Right! and as God is my light,
Where my sword cleaves the darkness there is no Night!
I compass that sea, and I strike for that sod
Whose God through the ages of Liberty's God!"

CHILLICOTHE WILL VOTE ON CHARTER

The Chillicothe City Council, acting promptly as the law demands, upon a petition recently filed asking that an election be called on the question of charter from of government, has set August 14th for the election on the question.

Reports from Chillicothe indicate that the charter form will be chosen by an overwhelming vote, as was the case in Xenia a few days ago.

IN SOCIAL CIRCLES

Mrs. Wert Shoop threw open her attractive home for the Guild Kensington Wednesday afternoon.

Entertaining with her were Mesdames Arthur Burgett, J. M. Willis, M. E. Hitchcock, A. M. Bush, Edgar Snider, Frank Rothrock.

Forty women enjoyed the afternoon

which took on the semblance of an afternoon tea in its charming sociability.

Easter flowers decked the rooms and tea was served from a pretty table, with central cluster of yellow jonquils.

Mrs. Bush and Mrs. Rothrock poured. Mrs. Maude Howland of Bloomington was an out of town guest.

The young matrons of the Wednesday and Thursday duplicate bridge clubs were delightfully entertained Thursday afternoon by Mrs. H. C. Ireland and Mrs. Alex H. Ballard, at the home of Mrs. Ireland.

Mrs. Frank D. Bradley most pleasantly entertained the Thursday Euchre Club this afternoon.

An elaborate collation was served at the game's close.

Mrs. J. Star Smith, of Brainbridge was a guest.

PERSONAL PARAGRAPHS.

Mr. B. F. Leland was a business visitor in Columbus Wednesday.

Mr. Charles Allemang made a business trip to Columbus Thursday.

Mr. R. S. Quinn is confined to his home by a serious attack of rheumatism.

Mr. W. R. Dalbey and Mr. G. H. Hitchcock spent Thursday in Columbus on business.

Miss Mary Robinson was the guest of her sister, Mrs. Luella Herbert, in Columbus, Wednesday.

Mr. Earl Severs, of Dayton was here to attend the funeral of Mr. W. E. Taylor, Wednesday.

Mr. and Mrs. D. H. Barchet were among Thursday's visitors in Columbus.

Mr. Frank James and sister-in-law, Miss Ethel Mace, spent Wednesday in Columbus.

Miss Mabel Briggs went to Blanchester Wednesday evening to attend the Clinton Baptist Association.

Mr. Wm. Turner was down from Columbus spending Wednesday and Thursday.

Mrs. Lavery and daughters, Misses Jennie and Nina Irwin were shopping visitors from Greenfield here today.

Miss Dorothy Fullerton arrived from Wisconsin University, Madison, Wis., Thursday to spend the Spring vacation with her parents, Mr. and Mrs. Frank M. Fullerton.

Messrs Earl Powell and Ora Blackmore went to Cincinnati, Wednesday to drive back two Oakland Six cars. They also attended the opening game of the National League.

Mr. Arthur Burgett was a business visitor in Columbus Thursday remaining over to see Robinson Crusoe Jr. at the Hartman tonight. Mr. Donald Moore joins him tonight for the theater.

Mr. and Mrs. S. E. Parrett came down from Cleveland called by the death of Mrs. Parrett's mother, Mrs. C. C. Creamer at the home of her son, Mr. C. C. Creamer at Parrott's Station.

Mr. and Mrs. D. L. Thompson are announcing the birth of a son, weight nine pounds, on Thursday morning. The baby has been named Andrew Creamer Thompson for its grand father, Hon. A. R. Creamer.

Mr. R. R. Kibler attended the opening game of the National League series in Cincinnati Wednesday.

PIONEER WOMAN IS BURIED TODAY

Mrs. C. C. Creamer, one of the Fayette County pioneer women, was laid to rest by the side of her husband in the Creamer cemetery near Parrott's Station Thursday afternoon.

There was a large gathering of relatives and family friends at the home of the son with whom she made her home, Mr. Chas. Creamer.

Mrs. Creamer had reached the age of 92 years and had passed through the years of Fayette's county's development and progress, rearing her children to take their part towards the best interests of the community.

The children who survive their mother are Rev. N. D. Creamer, of Columbus; Rev. Geo. Creamer, Prof. A. J. Creamer and Alexis Creamer, of Oklahoma; Mrs. S. E. Parrett, of Cleveland, and Mr. Chas. Parrett of

Parrott's; Hon. A. R. Creamer, Hon. C. A. Reid and Mr. Frank Johnson were relatives from here attending the services.

\$500,000 FIRE LOSS SUSTAINED

Springfield, O., April 12.—The entire plant of the Kelly Road Roller Company was destroyed by fire which originated in the boiler room at seven o'clock last night, and the loss is estimated at \$500,000.

While the direct cause of the fire is not known, it is believed to have been due to something inflammable being stored near the boiler. Officials place no credence in the belief expressed that the plant was destroyed as result of a German plot. The plant will be rebuilt this spring.

BEAUTIFULLY IMPRESSIVE DEMONSTRATION

Patriotism rose in one great surging tide at Sunnyside school Wednesday night in response to the Governor's proclamation, calling for an hour of patriotism and "old glory" was raised amid such scenes of loyal enthusiasm and excitement as recalled to the veterans of '61, many of whom were in attendance, the early days of the civil war.

Between fifteen hundred and two thousand people were assembled on the large grounds, and it was one of the most noteworthy occasions ever held in Washington, putting Sunnyside schools in the vanguard of the city's patriotic efforts.

While under the patronage of the it was a Parents-Teachers' club it was a genuine community affair, with all Sunnyside, regardless of school affiliations, rising in splendid unison to make the meeting the big success it proved.

A large platform had been erected on the grounds, brightly lighted and decked with flags, for the holding of the exercises and crowding around it was a sea of people, responsive to every part of the hour's program—and again Sunnyside scored, for the program was completely carried out and the flag raised in the one hour scheduled.

Before the big meeting the Parents and Teachers Club met in the school building to elect the new officers. Mr. Ed Fite, outgoing president, whose executive ability had gone far towards making the club a success, presided. The officers elected were Mr. John Evans, president; Mrs. Harry Sprenger, vice president; Miss Agnes Kerrigan, secretary and treasurer.

The incoming president has already shown such interest in the work of the club that there is no doubt its work will be well carried out.

A receiving line was formed at the head of the stairs by the efficient Principal of the school, Mrs. Minnie Brown, and her corps of excellent teachers, Mrs. Ethel McElwain, Misses Lulu Rowan, Margaret Stonerock, Maude Bush, Prue Taylor, Emily Tanzy, Agnes Kerrigan. The teachers pinned on silk flags as favors until the thousand they had purchased were exhausted.

Miss Kessler's orchestra played while the crowd was forming around the grandstand and throughout the evening.

The new president, Mr. Evans, called the meeting to order for the presentation of the flag to the school by Miss Kerrigan's kindergarten. This and the raising of the flag were the two distinctive features of the gathering.

A special committee of Sunnyside mothers, Mrs. Jessa Blackmore, chairman had raised funds to purchase a beautiful flag 10x12, the Sunnyside people responding so liberally that there was also money for some much needed school work.

The flag had been secured with great difficulty. Mr. Ed Fite scoured Columbus by special messenger and got one of the size and quality desired could be found. Then Mr. Fite took it up with Mr. Walter Jones of the Dahl-Campbell Co., who endeavored to secure one through Cincinnati wholesale houses. Not one there. Great consternation prevailed at Sunnyside Wednesday morning when this news came.

Mr. Jones called a personal friend in Cincinnati who took his car and made a tour of the city stores and finally secured one just in time to reach Washington on the six o'clock train Wednesday evening. Mr. Jones was there to meet the train and rush the flag to Sunnyside.

The glorious emblem was borne shoulder high by the thirty-six children of Miss Kerrigan's Kindergarten, led by Uncle Sam and Columbia, in complete costume. All the children wore white with Colonial hats in the red, white and blue and the picture they made will not soon be forgotten. Elizabeth Fite and Robert Beachdel were very cunning as Columbia and Uncle Sam.

Miss Kerrigan, with a beautiful simplicity and earnestness made the following little presentation speech, its beauty of sentiment stirring response from every listener.

"Dear to our hearts is the flag of our country.

"It is the fairest vision on which our eyes have ever rested.

"In these days of anxiety it is right that the American flag shall wave each day over those whose duty it shall be, as future citizens, to guard and protect it.

"I assure you that the little hands that bear this flag tonight are worthy of its touch.

"The little hearts that cherish it are as consecrated to love and duty as the proudest statesman.

"These children love the flag. They

understand what it means. It is their greatest joy to sing its praise.

"They love to stand each morning and with baby hands upstretched pledge allegiance to my flag, and the Republic for which it stands; one nation indivisible, with liberty and justice for all."

"These little children are my jewels. They are the jewels of the fathers and mothers of Sunnyside.

"They represent tonight not only the Kindergarten class of 1916-17. They stand for the love and the loyalty of the boys and girls of former years who have gone from the Kindergarten to higher grades.

As I now present this beautiful on behalf of the Sunnyside Kindergarten to the Sunnyside schools, it is with the hope, and with the wish, that all over whom it shall wave, that all who shall look upon its hallowed beauty may be as patriotic, as loyal and as pure of heart as these little children who gave it."

Superintendent McClain made happy response and acceptance and it was very fitting that he should, for his zeal and encouragement has been of immense help to the progress of Sunnyside. Then everybody sang "America," before Rev. Arthur P. Cherrington conducted brief devotional service.

Miss Elizabeth Snider read with fine expression Governor Cox's proclamation and followed it with an original patriotic poem, written by Miss Mae Duffee, a former Sunnyside pupil. This was received with loud applause.

Flag Is Raised.

The scene which accompanied the raising of the flag beggars description. Every heart was stirred and the mass of people stood in hushed silence as the splendid flag was raised high on the flag pole. Then as the flag floated valiantly out into the night the grounds were darkened and the spotlight thrown skyward, showing the picture best loved by the American people, the Stars and Stripes, in glowing relief against the dark dome of the sky.

It was a most beautiful sight and cheers rent the air, the people wild with enthusiasm. Miss Prue Taylor led the children in the Flag Salute.

Three splendid short addresses followed.

Hon. C. A. Reid, with the eloquence which makes him one of the most popular speakers Fayette has ever had, paid glowing tribute to the occasion, the flag and the call to service which it demands.

Attorney E. L. Bush, with fine earnestness, urged sacrifice for the flag, to whatever extent needed, so that the things worth while left as a heritage to us be retained for future generations.

Dr. R. M. Hughey took the stand amid great clapping and made a powerful appeal for true patriotism, the love of country which means worthiness of heroic ancestors. He repudiated "peace at any price" in burning words and constant applause showed that his sentiments were those of the assemblage.

Once more the scene was darkened and the flag, high in the heavens, waved radiantly while everybody sang heartily "Star Spangled Banner." Miss Elizabeth Sheen led the choruses.

Rev. Cherrington pronounced the benediction and the first big patriotic gathering of Washington was over.

Much credit is due Mr. R. J. McLean, who although not a patron, managed the spotlights so effectively. Sunnyside was also indebted to Mr. Alex H. Ballard and his electrician, Ellis Bishop, for the free wiring of the ground and to the Washington Gas & Electric Co., for donating the light. Messrs. John Evans and Geo. A. Robinson were active promoters of the patriotic features, working in conjunction with the school management.

Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn is a "Goner"

When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Use "Gets-It" Your Corns Won't Swell in Water. Resides They'll Shrive, Loosen and Peel Off!

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off. There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and scissors that draw blood. Use "Gets-It"—no more digging or cutting. "Gets-It" is sold everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Washington C. H., and recommended as the worlds best corn remedy by Brown's Drug Store and Blackmer & Tanquary's Drug

FARMERS DO THEIR PART TOWARD WAR

Crop Acreage This Year Will Exceed All Previous Acreages—Are Giving Close Attention to New "Crop" of Tens of Thousands of Spring Pigs.

Urged by the prospect of food shortage and record-smashing prices for all farm produce, Fayette county farmers are responding to the call of Governor Cox, President Wilson and the press by planning for greatest crop acreage the county has ever witnessed and with this prospect in view they are now working early and late breaking ground and preparing for the work in every possible manner, many purchasing tractors and gang plows to overcome the shortage of farm help and insure a full acreage being broken for corn.

In addition to the crop ground being prepared for planting next month the farmers are alive to the heavy demand that will be made for oats and in fact every grain that can be produced in this latitude, and are taking steps with that in view.

A great many will raise record crops of beans of various kinds, for which there promises to be a tremendous demand for the next two or three years. A great many are planning the greatest crop of pumpkins and squashes they have ever attempted to grow.

The acreage of potatoes, regardless of the almost prohibitive price of seed will be the greatest Fayette county has ever seen, these tubers being one of the few staple articles of food and very much in demand.

And another crop that is receiving careful attention is live stock for meat. Fayette county, at the present time, is very short of marketable fat hogs, but not so with spring pigs. This highly important "crop" is a bumper one and tens of thousands of spring pigs are receiving the most careful attention ever accorded a new porce. And there is a reason. Prospects of \$18 to \$20 hogs looms ahead, with guarantees of exceptionally heavy prices for a year or more to come. The number of calves in the county is unusually large, and farmers are endeavoring to conserve their beef supply in order to make it as productive and large as possible.

The demand for sheep is increasing owing to the top price of meat and the soaring price of raw wool.

And the farm wife is doing her part in caring for vast numbers of little chicks. The number of chickens produced in the county this season will, it is expected, establish a new record. And the town folks are responding nobly to the demand for more gardens and will cut the H. C. of L. by growing much of their own garden stuff this year.

Meanwhile, the demand for food-stuffs for exportation is increasing, and will continue indefinitely.

RAINBOW AT 4:30 DRAWS ATTENTION

A well defined rainbow directly over the city at 4:30 Wednesday evening attracted quite a little attention throughout the city.

The rainbow was about one-fourth of a full arch and had a background of very thin cirrus clouds, probably 25,000 feet above the earth's surface, and was due to refraction as result of millions of ice particles in the clouds.

DON'T SUFFER WITH NEURALGIA

Musterole Gives Delicious Comfort

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on the temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief.

Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.

STREET CLEANING MAY BE LAUNCHED EARLY NEXT WEEK

Present indications are that cleaning of the streets under the emergency measure launched by the city council may be taken up sometime next week, and Washington citizens get relief from the unwholesome condition of the paved streets after one to two years of suffering.

However, the entire matter of cleaning the streets depends upon the action of the city council at its session next Monday night, when the two emergency ordinances, vetoed by Mayor Oster, thus holding up the street cleaning which was to have been started Tuesday of this week, will be taken up for the purpose of passing them over the veto.

It is generally believed that the two ordinances will be passed over the veto, and this will be watched with a great deal of interest by the hundreds of citizens.

Should the council fail to pass the measure over the veto, there is little hope of having the paved streets cleaned during the summer, unless it is done by private employment.

It is the opinion of Solicitor Gregg that if the emergency measures are adopted, that cleaning can be taken up immediately.

The emergency ordinances provide for the cleaning during the present season, by sweeping and removing the refuse from all paved streets of the city, assessing the cost against the property owners to be paid as special taxes. One of the ordinances provides issuing notes for \$3,000 to carry on the work.

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

There's more to this cigarette than taste

A heap more. Most any cigarette can please the taste—somebody's taste.

But this Chesterfield Cigarette, in addition to pleasing the taste, gives you a new kind of enjoyment in cigarette smoking—

Chesterfields let you know you are smoking—they "SATISFY"! And yet, they're mild!

It's all due to the blend—the blend and the quality of the tobaccos. For we tell you that such costly, high-quality Imported and Domestic tobaccos have never before been put together in any cigarette at anywhere near the price.

And the blend can't be copied.

Words can only tell you these things—it takes the cigarette itself to prove them. You'll be glad you tried Chesterfields. Do it today.
